

The background image shows a large, classical-style university building with a prominent portico supported by tall columns. The building has a red-tiled roof and arched windows. In the foreground, there is a street with yellow double lines, a sidewalk, and some trees. A flagpole with an American flag is visible on the right side. The overall scene is bright and clear.

COMPETENCIES

Computer Technology - Each major has established expectations for the computer technology competencies of its graduates and built the development of these into the major curriculum. Further details are given under the description of each major in the University Catalog.	See Major Advisor
Information Literacy - Each major program has considered the information literacy competencies required of its graduates and built those expectations into the upper-level research and writing requirements in the major.	See Major Advisor
Quantitative (Q) - All students must pass two Q courses, one of which must be from mathematics or statistics; Q courses may be used to satisfy Content Area Requirements.	_____ Q _____ Q
Second Language - A student meets the minimum requirement if admitted to the University with 3 years of a single foreign language in high school, or the equivalent. Otherwise, the student must take a minimum of 2 semesters of college level study in a single language.	_____ _____
Writing (W) - All students must take either English 1010 or 1011. All students must also pass two writing-intensive courses, which may also satisfy Content Area Requirements. One of these courses must be at the 2000 level or above and associated with the student's major. English 1010 or 1011 is a prerequisite to all writing-intensive courses.	ENGL 1010 or ENGL 1011 _____ W _____ W

NOTES: Courses in content areas I, II, and III must come from 6 different academic departments/units
 One Content Area IV course may also serve as a Content Area I, II, or III requirement
 Course numbers in bold represent courses in Content Areas I, II, or III that also fulfill a Content Area IV requirement.
 Course numbers that are underlined represent courses that are cross-listed in more than one department.
 *Course numbers that have * are courses not yet approved by CLAS as satisfying their general education requirements.

Hello-

I am your assigned Academic Advisor. Please see the information below to continue your New Student Orientation!

Schedule your one-on-one academic advising appointment:

- **ASAP-** Use the following link to schedule your one-on-one academic advising appointment:
https://nexus.uconn.edu/secure_per/schedule1.php?stser=115&typsrl=1106

Before your advising appointment:

- **Log into your SA System**
 - **Practice** putting classes into your SA System 'Shopping Cart'
 - Look for your 'High School Summary' to:
 - Identify AP and ECE scores (if applicable):
 - Identify any MPE scores (if applicable):
 - Identify high school (HS) second language level (if applicable):
- Based on your current School/College and the information above, you can **add the following courses to your SA System 'Shopping Cart'**
 - CLASS 1
 - CLASS 2
 - CLASS 3
 - CLASS 4
 - CLASS 5
- It is common for new UConn students to enroll in 12 to 14 credits their 1st semester-
- **Attend** our **Student Admin (SA) System Information Session** today at 1 pm to learn more about the SA System and how you can use it to enroll in classes, view and pay your fee bill, view your personal information and more.
- Use the following links as guides to help you navigate the SA System and to help you put classes into your SA System Shopping Cart:
 - [Conducting a Class Search](#)
 - [Accessing the Dynamic Class Search](#)
 - [Adding a course to your Schedule](#)
 - [Viewing your weekly schedule](#)
- Need help accessing the SA System? You can contact UConn ITS- <https://techsupport.uconn.edu/>

During your advising appointment:

- Use the following link to access my personal WebEx Room: <https://uconn-cmr.webex.com/join/pet05001>
- Be prepared to talk about your academic and career goals
- Ask questions
- **Have classes in your Shopping Cart-** we can discuss these classes and any appropriate changes to them at your advising appointment

After your advising appointment:

- You will be notified when additional Orientation requirements will be available to you throughout the summer, so make sure you continue **to check your UConn email regularly.**
- View UConn's [Academic Calendar](#) for important dates- like the first day of the semester (August 30th)

Email includes:

My Nexus Appointment Link
Link to SA System

My suggested classes to put into
your SA 'Shopping Cart'

Other Stuff-

- Links to help navigate SA
- Things to do during your appointment

**Math and Chemistry Placement for STEM majors
(required for MATH 1060Q/MATH 1131Q/
CHEM 1124Q/CHEM 1127Q)**

Information at <https://placement.uconn.edu/>

**Guided Placement Survey for those without
Verbal SAT scores or ECE English**

Information at [https://fyw.uconn.edu/fyw-self-
placement/](https://fyw.uconn.edu/fyw-self-placement/)

What if I don't know my major?

- You'll be taking general education requirements this fall, you will need these no matter which major you choose
- Most STEM majors have similar early requirements (precalculus/calculus for example) so those will cover multiple major options
- Check out <https://catalog.uconn.edu/> and departmental websites for major information
- We have an AWESOME website called The Major Experience which is all about major exploration!
<https://tme.uconn.edu/>

What are your next steps?

- Make your One-on-One Advising Appointment with me ASAP via Nexus (please include your intended major in the notes section)
- Add classes to your SA System “Shopping Cart”
- Take any necessary MPE, CPE and GPS placement exams
- Refer to your On-Line Orientation Task List Items

QUESTIONS?
